

BIANCA GO

MIGRATION AGENT

**Corporate | Employer Sponsored
Labour Agreements**

Bianca Go is a Registered Migration Agent with a proven track record in the legal services and migration industry. As a valuable member of our Corporate team, Bianca works directly with key clients, providing workforce solutions through the Australian immigration system. Her expertise enables businesses to bring appropriately skilled and experienced staff from overseas to complement their local teams in Australia.

With expertise in Employer Sponsored applications, Bianca has worked with various industries such as allied health, construction, manufacturing, hospitality, and agriculture. She is regarded for her consultative abilities and commitment to delivering exceptional service, especially in negotiating intricate Labour Agreements.

Bianca has been working in the migration industry since 2017, equipping her with the skills to assist with General Skilled Migration (GSM) visa applications and Skills Assessment applications. Her clients appreciate her responsiveness and trust her stewardship of the process and their applications.

Prior to working with Migration Solutions, Bianca was a Paralegal at a private law firm where she developed an interest in immigration, citizenship, family, and administrative law. That passion continues today and is evidenced in her dedication to our clients and team.
